

Traverse County Corn Growers Association Scholarships

This scholarship fund was established by the Traverse County Corn Growers Association in 2011 to promote interest among youth in pursuing a career in agriculture. Members of the 2023 Wheaton Area High School graduating class are invited to apply for these scholarships which will be awarded in various amounts.

While the primary scholarship will be awarded to applicants pursuing a career in the agricultural field, students pursuing degrees outside of agriculture are also encouraged to apply. General studies scholarships will also be awarded.

Applicants must present evidence of academic success and commitment to their career in the scholarship application process. Scholarships will be paid to recipients at the start of their second semester of post-secondary education.
