CLASS SCHOLARS  
SCHOLARSHIP PROGRAM

Just like most families, the Mediacom family believes in the importance of higher education. As a corporation with strong community roots, we want to support the higher education of our customers.

For this reason, we formed World Class – The Mediacom Scholarship Program to help graduating high school students with their college expenses, such as tuition and books.

Through the World Class program, Mediacom awards \$1,000 scholarships to winning applicants.

- ☐ Mail all application materials postmarked on or before January 30, 2023.

Retain a copy of the above documents for your records.

- If you could have one superpower, what would it be and how would you use it?

- You find a message in a bottle with very specific directions. Write about the adventure you embark upon.
- Create an essay of your own preference.

### **Additional determining factors include:**

- Participation in school activities.
- References from one school educator and one from someone in your community.
- Participation in community activities.\*

\*Including any volunteer opportunities, clubs, organizations, or part-time jobs in your community.

### **Completed application materials should be postmarked on or before January 30, 2023, and sent to:**

### **Eligibility requirements:**

Children of directors, officers, employees or agents of Mediacom are not eligible.

Applicants must be legal residents of a community that is being served by Mediacom (see list on pages 6-8).

Scholarship awardees may attend any accredited two-year or four-year college, university, technical or vocational school within the United States.

Applicants must intend to pursue a course of study at a qualified post-secondary institution.

Applicants must be accepted by the qualified post-secondary institution prior to actually receiving a scholarship.

Applicants must commence their post-secondary education or training in the first academic year following their senior year of high school.

Applicants must be in their senior year of high school, must be high school graduates or persons who have achieved equivalent certification. If an applicant is awarded a scholarship while in his or her senior year of high school and does not graduate at the end of his or her senior year, he or she is no longer eligible to receive a scholarship.

Students completing high school in fewer than the normal four years are eligible to apply.

Students entering a qualified post-secondary institution in the middle of their senior high school year are permitted to apply the following year.

All scholarships will be awarded without regard to race, religion, national origin, sexual orientation, political affiliation or social or economic status.

Scholarships are not renewable.

### ***How much is the scholarship?***

- \$1,000

### ***Who is eligible?***

- High school seniors who are graduating in 2023 and live in the areas served by Mediacom are eligible.

### ***How can I be sure if I live in an eligible area?***

- If your community is served by Mediacom, you are eligible. There is a list of the towns we serve in the application. A copy is also available online at [www.mediacomworldclass.com](http://www.mediacomworldclass.com).

### ***The application says to get two references. Who should I ask for these?***

- The school reference should come from teachers, coaches, sponsors, tutors, counselors or anyone who works or worked with you on a day-to-day basis and can vouch for you and your abilities. If you are home schooled, anyone who works with you in an educational, community, church or employment capacity will be accepted as a reference.
- The community reference should come from someone who oversees your volunteer or employment activities, someone from church, or anyone who is aware of the awesome things you do outside of school.

### ***Do I have to use the reference sheets in the application or will letters of recommendation be okay?***

- Yes. The reference sheets provided must be filled out.
- You may also include letters of reference in addition to the reference sheets.

***Does the copy of the transcript have to be certified?***

- If possible, yes, but it does not have to be sealed in a separate envelope. If, however, your school requires a sealed envelope, make sure it is included in the packet you send us. **DO NOT SEND IT SEPARATELY.**

***What are you looking for in the essay?***

We are looking for a narrative that reflects on your growth as a human being. It should be an interesting story that shares what you have learned and how you use those lessons to help others.

- Avoid making a list of accomplishments, with every sentence starting with "I did..." or "I went..."
- Be creative. Write something that will capture the judges' attention.
- Speak to personal experience(s). This is your story!

***Is there anything else I can send that may be helpful to the judges?***

- You may also include a list of achievements, awards, accomplishments and school clubs to which you belong. This can be included with the list of community events and organizations with which you are involved. Remember to keep this list separate from your essay.
- You may include a resume listing job experiences and abilities.

***What do you mean by community events and organizations?***

- This would include church groups, civic groups, volunteer work, Boy or Girl Scouts, Special Olympics, etc., any organization outside of school with which you are currently or have been involved.

***What is the deadline for the application?***

- The application and all other materials must be postmarked no later than January 30, 2023.

***I plan to go to a vocational school. Am I still eligible?***

- Yes. Any type of secondary training is eligible.

***I will be a sophomore in college next year. Am I eligible?***

- Only if you earned your college credits while still in high school.

***Is the scholarship renewable?***

- No. The World Class Mediacom Scholarship is a one-time, non-renewable award.

***My parent works for Mediacom. Am I eligible?***

- No.

***When will the scholarships be awarded?***

- The scholarships will be announced April 1, 2023.

***If I am awarded a scholarship, what do I have to do to get the money?***

- If you are selected for a scholarship, the committee will notify you by letter. The letter will contain further instructions.

***How will the scholarship money be paid?***

- The money will be given directly to the students to use as they need for their college expenses. This may be done by mail, or area Mediacom offices may choose to present them. More information will be available after recipients are chosen.
